

Stocks in the Future (SIF) teaches middle school students financial life skills while providing them incentives to improve their school performance

Make it your New Year Resolution to assess your stock portfolio! Even our SIF students do this throughout the school year. Students have the option to purchase ten middle-school-friendly stocks:

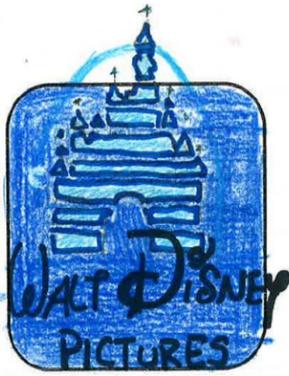

Disney, Time Warner, Ford, Electronic Arts, Safeway, Facebook, Sirius XM Radio, Sony, PetSmart and Coca-Cola.

Here's what some students at Fallstaff Elementary/Middle have to say about making their investment;

Pick a SIF stock and describe whether it would be a good stock to buy, hold or sell.

Walt Disney
Name of Stock

I think this stock would be a good stock because Christmas is around the corner and they make most of their money then. Also they are not just Walt Disney Land but on a Cruise Ship. This year they have increased 41.29%

SIF Wishes a Festive and Safe Holiday Season to All!

As we're in the 2013 season of giving, don't forget SIF! It's a great opportunity to help middle school students learn financial life skills while their grades and attendance are rewarded. Please consider a gift of \$250 that can provide textbooks to a class of 30 or \$1000 that can provide a class field trip to a financial institution. We'll accept \$250, \$1000 or anything in between! Send gifts to:
