**THE STORY:**  
We're back! Stocks in the Future is putting together a team of 50 (or more!) to participate in the 17th Annual Baltimore Running Festival on October 21, 2017. In 2016 Team SIF raised more than \$16,000 and had more than 50 runners participating in the Running Festival. This year, we hope to truly give the students we serve a "run for their money." Please support our goals of raising \$25,000 (or more) for our youth financial literacy program!

To learn more about the work of Stocks in the Future, check out the video on this page.
